Dear Sponsor

Thank you for allowing me the opportunity to speak on behalf of Amber Groome. Though, Amber has been registered with Boxing Alberta for 2 years and has had 6 bouts, she boxes like she has been competing for much, much longer. I have had the pleasure of witnessing 2 of her competitions and I must say she has a great future.

Boxing Alberta's High Performance Coach, Sylvio Fex and I have had numerous discussions about Amber's opportunity to compete at the 2012 Olympic Games in London, England. Both of us agree that with more experience and hard work, Amber would have an excellent chance to represent Canada at this event.

Amber would have to dedicate herself to amateur boxing for the next 2 years. Setting a yearly training plan, proper competitions, diet and mental attitude are all things that Amber has to get in motion right now.

With female boxing making its inaugural appearance in London's Olympic Games, Amber has a wonderful chance to be a part of history. If you require more information about training programs or up coming competitions, please do not hesitate to call the Boxing Alberta Office, Sylvio is a great resource. Good luck to Amber on her quest of the Olympic dream and we'll see you around the ring.

Sincerely Yours,

Dennis Belair
