Allow me to introduce myself, **Amber Groome**, and the exciting world of Amateur Boxing; a sport that has become my passion. In August 2012 millions of people across the globe will be watching the greatest sporting events of all – **The Olympic Games**. On this occasion it will be the **first time in history** of giving women boxers the opportunity to compete. Boxing has certainly grown, especially for women in our community.

I am inviting you to take part in the development of my success. My goal is simple, I plan on being the best that I can be. Not only as a member of the **National Team** but also reaching the top to the **Olympics**. This is my dream and with the support of individuals and organizations like you I can succeed. Unfortunately like most Canadian sports, Boxing is short in funding that is why I ask greatly for your support.

This is how you can help, in exchange for your financial or product support I will promise to work my hardest to succeed and email you a report on upcoming events and my achievements. This year is an ideal time to take part in supporting me, as I am coming off my most successful season ever as **Provincial Champion**.

This past year has helped encourage me and made me more enthusiastic than ever before, and I am sure that with my hard work and your support I can make this upcoming season better than the last. Please remember that this money will go to support a young athlete that is performing at her best and is becoming a responsible member and leader in the community. I am becoming an ambassador for the community, province and with your help, the country.

I would like to thank you for your support as I work towards the **2012 Olympics in London, England**.

Sincerely,

Amber Groome
